

Put a Real Show on the Road

(Continued from Page 1, Column 2)

This is THE NAZI CENTURY, and even the enemies of Germany in World War II recognize this fact and pay the Hitlerites the sincere flattery of imitation. Nobody imitates the Nazi more assiduously than the Jew. Adolph Hitler, Heinrich Himmler, and Martin Bormann were never more ardent racists than the Jews. Zionism is a RACIST philosophy all the way. It aims frankly at the destruction of the Christian culture and civilization. It contemplates no friendly collaboration with Christians.

In the last forty years, the American Jews have virtually destroyed the Christian culture of America. Their power over book publishing, media, and higher education has been used to wipe out nearly every last vestige of the old Goy America. The Jew is an implacable enemy of Goy America. He is a blatant RACIST, seeking to establish the supremacy of the Jewish race over all of the other races on the American scene. The Jews use the Negroes as cats' paws. Meanwhile our prosperous Goy citizenry occupy themselves with futile partisan politics or with futile economic philosophies, with anything and everything except an ORGANIZED AND EFFECTIVE WILL-TO-POWER. They often propose some very good things, such as abolishing the Federal Reserve System. NEVER do they whisper a word about

how we are to get the POWER to accomplish these laudable ends. Be sure that none of these desirable reforms will be accomplished as long as the Jews remain in power. ONLY A POWER-WILL CAN OVERTHROW ANOTHER POWER-WILL. None of the reforms which estimable old gentlemen of "The Right Wing" so ardently desire will ever be accomplished UNTIL A GENTILE POWER-WILL HAS ARISEN TO BREAK THE JEWISH POWER-WILL. Yet a whisper against the Jews sets our "Conservatives" aghast. Robert Welch has told them that "The Jews are the great achievers of American Life." All hail the Super-Jews! Conservatism has degenerated into a Jewish racket. It is not only the Left Wing which submits to Jewish control; the Right Wing also submits. COMMON SENSE has repudiated that jejune sector of "The Right Wing" which is always propounding excellent ideas, but has no WILL-TO-POWER to implement any of these excellent ideas. It is painfully obvious to us that the only function of this sector of the Right Wing is to keep the Goyim busy howling worthless slogans, engaging in political futilities, and wasting the time, effort, and money which might otherwise save the nation. The function of such Right Wing leadership is to lead and limit the opposition, so that the Jews may continue to rule. Only one thing might save America from destruction: A BUSINESSLIKE SHOWDOWN WITH THE JEWS. If this does not occur in the near-term future, then we are living in a doomed and defeated nation.

The U.S.A. is tied to bankrupt and disastrous Jewish policies which can lead only to the downfall of the nation and the extinction of the American people at the hands of foreign enemies. Worst of all, we have been manipulated into a contemptible moral position. Our support of the bandit Republic of Israel has brought us the contempt and hatred of most of the Eastern Hemisphere. We have fallen into a contemptible strategic position. We have no real allies left in the world. Our Country has become the capitol of Marxism, of Zionism, of Jewish power, of Jewish degeneracy, of Jewish corruption. Our University professors mouth imbecilities, unrealities, and impossibilities as if such things were everyday occurrences in inter-

national affairs. Our Right Wing and our Left Wing howl standardized imbecilities at each other. Our national culture is in the grip of a fatal galloping putrefaction. Our Armed Forces are being corrupted and weakened at a time of maximum danger. The Jews have demonstrated beyond reasonable argument their corruption, their decadence, their total unfitness to function as a leadership class; yet they hold a death grip on political power in the U.S.A. Mere anti-Semitism will not remove this pack of corrupt incompetents from the positions of power which they have usurped. Only an organized WILL-TO-POWER can oust them.

Last winter our hopes were raised high. In issue No. 552 of COMMON SENSE we published Revilo P. Oliver's brilliant article **After Fifty Years**. Oliver said, "American youth is our last hope, and at long last an effort is being made to rally it." Unhappily, the effort seems to have been short-lived.

Oliver said in his amazingly brilliant article, as to why there has never been an effective patriotic youth movement: "It was not what was wanted by the good-hearted and white-haired patriots who, in their ever-diminishing conclaves, orated to one another in the hope that some miracle might yet waft them back to 1924 or, better yet, to the Spring of 1914. It was dreaded by the super-salesmen of anti-Communism, who know what nice mixture of fact and shibboleth opens pocketbooks, and who naturally mean good business every step of the way — to the end."

American Conservatism is having a last chance, and if it fails now, it will have failed forever. **The time of the last chance is NOW!**

We must face the fact that "Economic Conservatism" is not enough. We must face up to the importance of RACE. We must offer real backing to intelligent Goyim who are fed up with Jewish Intellectual Supremacy. WE MUST PUT ON THE BRASS KNUCKS AND GO OUT AND FIGHT FOR POWER. We must have an organization with local chapters in every part of the country. We must back brave young people who will fight on the University campuses. If our Conservatives can manage to be satisfied with "Voting" and "Electing" then they are finished in any case, and we cannot advise intelligent young people to waste time of day on them. So much POWER has been drained out of the political process, and transferred to the technological powers centered on the University campuses, that the whole business of "Electing" has been rendered nonsensical. Nothing any longer can be accomplished through the subsidized parties. The reasons run deep. Spengler has pointed out that the period of subsidized parties lasts barely 200 years; time is up.

We invite the American Conservative to answer this question: ARE YOU GOING TO SUPPORT A VITAL, DYNAMIC YOUTH MOVEMENT, OR AREN'T YOU? If you are not, then you will never be anything but a noise-maker. Mere noise does not constitute an effective will-to-power.

Which will it be? Empty sloganeering, phoney anti-Communism, worthless gasbagery? Or a real showdown fight with the Jews? We are tired of hearing slogans like "Free Enterprise" and "Private Property." Soon only the Jews will be free to engage in enterprises; soon they will own all of the property really worth owning. Let us now face the fact that the real issue is RACE, or let us shut our big, loud mouths and stop making worthless and uncouth noises. EITHER PUT A REAL SHOW ON THE ROAD OR ELSE GET OFF THE ROAD. The kind of so-called "Conservatism" which will not fight the Jews is a pox and a pestilence. If the Jews are to continue to rule the U.S.A., then we can in good conscience give you only one kind of advice: flee the country. Under Jewish rule this nation will never be a fit abode for civilized and intelligent people, and it will not long continue to adorn the world map. The hour of decision is NOW, in this Year of Our Lord 1970, and not at some later time. If you cannot make up your mind before next year, just don't

bother. The decisions of future history will be made elsewhere and by other people, by people who have a WILL-TO-POWER and have no inhibitions about using it. In the U.S.A. today only the Jews have power. The Goy Conservatives have nothing but the sound of their own gasbagery. The ONE AND ONLY problem is to BREAK THE POWER OF THE JEWS and to get power back into Christian hands. There is no other issue in American life worth talking about. American Jewry represents an organized WILL-TO-POWER determined to rule or ruin. Oswald Spengler gave us the formula we need: ONLY A POWER-WILL CAN OVERTHROW ANOTHER POWER-WILL. Arguments about "Economic Issues" are worthless, because the Goy Conservatives totally lack any POWER to put any of their excellent ideas into practice.

In his article AFTER FIFTY YEARS Revilo P. Oliver said, "Young Americans have the courage and the will to fight and if need be to sacrifice themselves for what they instinctively feel is great and noble. They are the last force to which we can appeal." Bluntly, we cannot invest any lucid hopes in the kind of Right Wing charlatans who howl that they are "Fighting Communism" but in fifty years have never struck a real blow against Communism. If all genuine patriotic youth organizations disappear in the murky quicksands of the jejune Right Wing, we shall have to

abandon all hopes which we have ever invested in the older generation of so-called "Conservatives." We shall have to look elsewhere for the future hopes of THE WHITE RACE and the future of THE CHRISTIAN WORLD. We are confident that the White Race and the Christian World will go on and on for centuries, but the American Conservatives are having their last chance now. Before January 1, 1972 they will answer forever the question of their worth or their worthlessness. Young Americans of real character and worth will be guided accordingly. If Conservatism is to remain merely a fine hobby for elderly people, as it is now, then the young cannot be expected to take much interest in it. Decent young Americans see that their RACE is being destroyed by alien enemies, while their elders do nothing about the matter. "Nations can exist only in the cohesion of a common will manifested in authority and discipline." We shall decide within this year whether or not we are to be a nation or to go the way of Nineveh and Tyre. The decision may be made by dynamic action or by stagnant inaction; but made it will be, one way or the other, and once made will be final and binding.

LORD OF THE WORLD

This is Father Robert Hugh Benson's famous novel written more than 60 years ago depicting the calamitous events befalling the Church at the hands of its satanic enemies. Father Coughlin praised this book highly and rated it second only to the Mystical Body of Christ in the Modern World by Father Fahey.
